De Hut Outspan

We arrived early Friday morning and were amazed at the beautiful campsite. The grass was super green and well maintained , but best of all, each plot has its own ablutions and hot tub Friday was spent chilling and making the hot tub warm while other campers started arriving.

Friday evening, everyone relaxed and did their own thing, in the hot tubs and around fires. Saturday was spent in the pool and relaxing

At 19h00 , all gathered at our plot for a boerie braai and played 30 seconds around the fire.

Jokes were told, and Dirty and Dirty too were there, sharing haavos, haaples, horinges, and hortermelons (those who were there, will know)

Indaba was at 10h00 Sunday following a slow pack up, and we could depart at 14h00. Thank you, everyone, for an awesome weekend.
