OU SKIP AGM OUTSPAN
27 to 29 May 2023

Our AGM weekend at Ou Skip was a cold one. Luckily the rain only appeared when everyone had left the park on the Sunday. Friday evening everyone huddled around their fires trying to keep warm. Saturday morning, we woke up to a lovely sunny morning with some members taking advantage of the good weather and heading out for breakfast or shopping in the town. After

enjoying some delicious sweet and savoury snacks after the AGM some members went off to enjoy the rugby at the stadium while a few watched the rugby on TV - provided by the Shaws. After a late indaba with more cake, most departed with happy smiles and dry awnings.
