22ND – 25TH June 2023 Glen Muir – Bezuidenhout

Loooong Weekend ahead & what a fantastic turnout, stunning weather & almost a full house, bar one camper. Morne you need to get the cobwebs out of your Tent / caravan and get some fresh camping air in.

Evening Fires ablaze as the sun goes down and the chilly night air sweeps in. Old Brown Sherry making its appearance followed by the warmth, Laughter & fun, with Madelaine showing off her weightlifting skills. "She is pretty Strong".

Fishermen up & about early. Competition is on! Who Can catch the most species. Gillian on the board Feeling super excited, only to be out fished by Raiden, while poor Jocelyn was Kindly donating all her sinkers to The sea & resorted to going back to basics with a hand line in a pool. All In the fun of it. Girl Power next outing.

Healthy Beach walk for the rest of the campers, while the children braved the cool sea.

Saturday evening brought out everyone's Culinary skills with a fantastic Curry Evening. What tantalizing tastes as a variety of flavors filled the campsite. From Lamb, Beef, to a Chicken & Prawn, & even a complementary shooter from the Ramsays to celebrate their anniversary with their butter chicken & Rogan curry. A seafood one was also on the Menu, with Tim & Sandra's fish pot heading up the votes. Visitors in tow with a delicious samp & bean pot. We rallied around with our bowls & spoons letting our taste buds tingle. What a delightful feast, a big thank you to everyone.

Here's to the Next outing at Rendezvous. 21 – 23 July
See you all there.
