GOUDINI OUTSPAN 25TH-27TH AUG 23

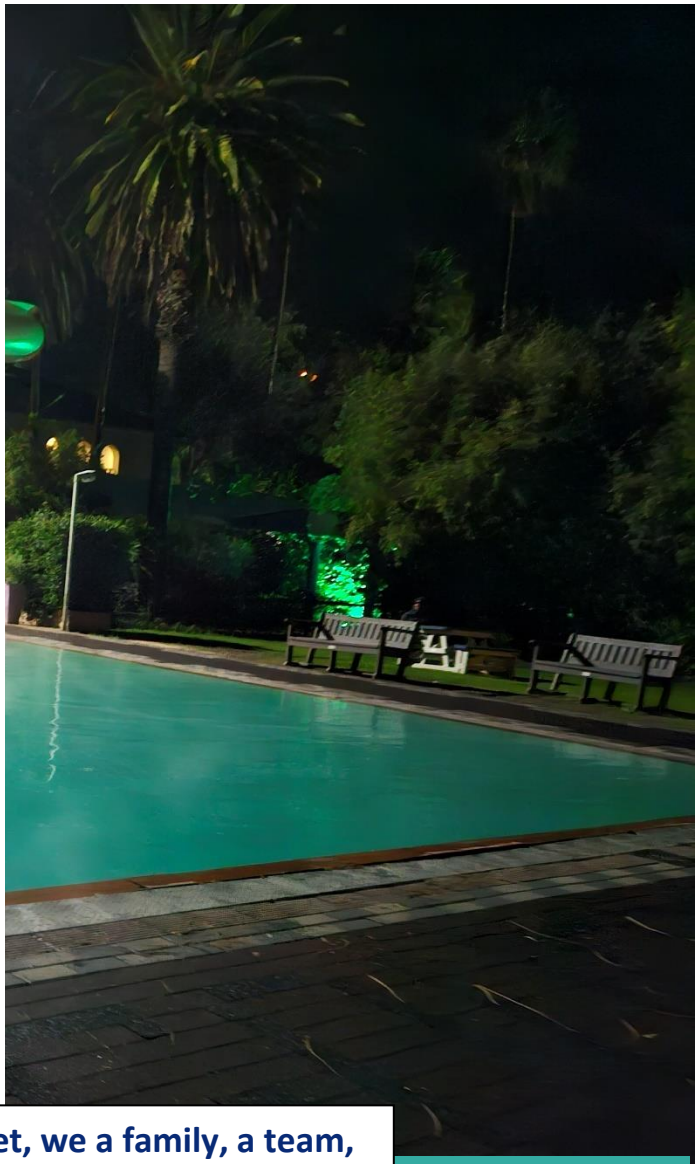

Setting up this weekend was not the easiest, but the funniest. The wind could never keep us away, but it was all well worth it.

We had a taste of all seasons over the weekend. Full of laughter and fun. Keeping our bodies warm in the hot springs. Enjoying each relaxing moment which is always needed.

Don't forget, we a family, a team, when someone needs help we always assist wherever we can even if it means by saving a life. Cheers to another awesome weekend with LAAGAR 15.
