Laager 15 Outspan – Yzerfontein 26th to 28th May 2023

Campers arrived at Yzerfontein on Friday afternoon, Jutzen & F.Daniels family & the Daniels families after 6pm.

Friday evening we served muffins and bottomless coffee. Plot 42 was the coffee tent for the weekend. Campers just had to bring along their mugs. We had loadshedding for 4hrs Friday evening but that didn't stop the "gees" of the Campers.

Saturday we were blessed with a beautiful warm day.

Everyone enjoyed the weather despite of how cold it was during the night.

Saturday evening we had snacks and played games. The atmosphere was awesome amongst the Campers.

Sunday morning we had our Indaba and a lucky draw. We had fun with our fines master Farrell .

We all left around 12pm and headed home. Everyone spoke about what an awesome fun filled time they all had. It was a pleasure to host the weekend. Thanks again Laager 15.

See you at our next outspan
