L15 Newsletter - De Hollandchse Molen – 23-25th July 2023

Priscilla and Farrel had the honour to host the outspan at De Hollandchse Molen in Franschoek on the weekend of 23 July 2023.

On this weekend we were only 5 members camping, Greg and Ursula Forbes, Benny and Des Pietersen, Cheslyn and Carmen with their daughter and friend and Farrel, Priscilla, Beverley, Brooke and Randall. A total of 13 campers.

As always we were blessed with beautiful weather. We found that no matter how small the group is, one tends to then connect with each other in a much closer way. Friday night we had warm corn on the cob. Saturday afternoon tea, coffee and cake was served. Late nights were spent by the fire and everyone had a good time. Sunday morning warm koeksisters were served. Brooke captured beautiful highlights of the weekend.
