Leentjiesklip AGM Outspan

It's always a wise decision to camp on the West Coast in winter and this year was no exception. We were blessed with awesome weather for the whole weekend and very little wind..

On Friday when arriving we found many fellow campers having set up already after arriving on Thursday. After watching the beautiful sun set we brought out the soup and soetes and spent a lovely evening of sharing and catch up around the various camp fires.

On Saturday morning members did their own thing. Some brave members went hiking with their back packs in the sand to train for the Fish River hike in July, others went for breakfast or just to pop in at the shops, while others just relaxed at camp. I know a few also went to try their luck at the casino.

Saturday afternoon was spent at the AGM and thanks once again for your vote of confidence in voting for me as chair and I look forward to working with the committee again this year. The club broke with tradition and provided delicious cake and tea for all those in attendance.

Then the intrepid bakers started preparing their braai pies and there were many delicious savory and sweet pies that were all eaten up very quickly.

Balance of the evening was spent sitting around the geselsvuur.

Sunday dawned with another beautiful day and no sooner had we had the indaba everyone was packing up and heading home, except for the lucky few who opted to remain for the rest of the week

Stay safe and stay warm, till we meet again

Yours in camping
