

# Celebrating 50 Years of Trekkers at Maselspoort Laager 18

Rain, games and flag-snatching hijacks, defined an unforgettable weekend as 7 families from Laager 18 travelled to Bloemfontein for a historic milestone in our club's history.

On the 26<sup>th</sup> September 2026, our resilient Laager 18 joined fellow campers at the Maselspoort Resort for the monumental 50<sup>th</sup> National Annual General Meeting (NAGM) of the Trekkers Outdoor Recreation Club. A massive thank you to Laager 20 for hosting this Golden Anniversary event & bringing us all together!

## DODGING RAINDROPS FOR GAMES & MEETINGS

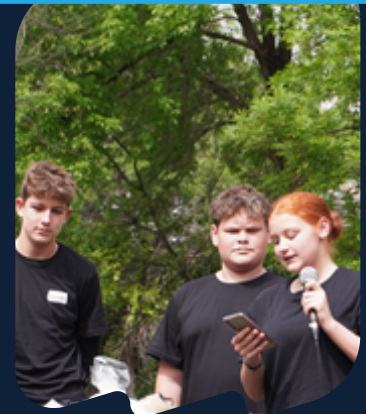

The spring weather certainly kept us on our toes on Saturday. Thankfully the rain held off just long enough for everyone to enjoy a series of fun-filled games & laughter outdoors.

When the skies finally opened up, it started pouring, but the true Trekkers spirit shone through. Rather than letting the downpour dampen our spirits, everyone squeezed into the main food tent to hold the official NAGM. It was cozy, loud & uniquely memorable!

- **THE GREAT FLAG HEIST** 
- The weather wasn't the only storm brewing! Over the
- weekend, Alexa & her sneaky helpers successfully ran a
- covert operation to steal several camp flags. Campers
- had to cough up some cash to buy their beloved banners back during Sunday's Indaba, making an entertaining finale to an incredible weekend of camaraderie.

### **NEXT STOP : CAPE TOWN**

Looking ahead, the next NAGM will be held in Cape Town! We are already buzzing with excitement & looking forward to turning this upcoming trek into an epic, real-deal road trip. Start prepping your caravans & planning your routes – its going to be a massive adventure!
