Our weekend kicked off in classic style, with the hosts rolling in fashionably late and claiming the “Always late, but worth the wait” award.

Friday was all about settling in and getting comfortable. By 6pm, the fire was blazing and everyone gathered around, drawn in like moths to a flame, ready for a great start to the weekend.

This weekend was a big one for the Wittstock B’s, who hit their 100th camp milestone! We all got to celebrate with some tasty cupcakes from them, well done, guys!

Saturday was packed with fun as some headed to the beach while others took on all the games the park had to offer. We had bocci ball, table tennis, pool, putt putt, and later in the afternoon, the ladies got stuck into a card game called Heist. Loads of laughs all round!

Saturday night was a treat. Tim and Dave both landed a Blue Fish (just 1cm apart for the winner!) and the Bowker Master families whipped up some delicious seafood snacks for everyone.

Then we all got stuck into the “Double Dare” game, which brought loads of laughs as people tried mystery flavours providing priceless faces all round!

Big congrats to Gillian, who took home the “Anything Your Heart Desires” raffle prize!

All in all, it was a weekend of good vibes, plenty of rest, and lots of laughs—just what we needed.

Can't wait for the next outing, so mark your calendars for long weekend 24–27 April 2026 at Rendesvous Campsite with the Waters Family hosting!
