Berg River NEWSLETTER 5-9 August 2022
August- Women's month with National woman's day being on the 9th August.
With daily temperatures around 20 degrees for the weekend made camping very comfortable.
I cannot but start here with a Sailor man Gregory at the helm, he did what he does best.
Everything nice and green, one could say the same about the facilities.
Most of Friday was spent welcoming each other with many Pit Stops welcoming friends
Saturday was a bit chilli
However, knowing us we were at it with the usual chat and eats.
Sunday, we started our Bosberaad with praise and worship by our
Chairperson Mr Benjamin Pietersen.
A spiritual and reporting of the happenings in the camping world.
Top Brass at it again with strategic planning.
With the best for last Monday pre Woman's Day meal. Lots of seriousness.
The men all at it.
Everyone was excited. Young Cavin Smith assisted his
Wife and was carefully watched in the mirrored
microwave.
With all the chefs at it, the day took off.
A serious matter I dare say with only the best.
The Meals were presented to the ladies.
What a wonderful event it was with lots of fun and laughter.
And a wonderful evening. Tuesday the 9th, we sadly packed with memories of a fantastic long weekend.

Happy Camping
Randall Daniels
