L15 – Rivierzicht Outspan

28-30 March

What a beautiful new spot we got to try out, on the banks of the Breede River in Robertson. We had 4 sites to share amongst the 8 of us with ample space to pitch our tents and caravans on the riverfront. It is pet friendly & popular for fishing.

Saturday we celebrates Andrew’s birthday who turned 20 and were spoilt with a party, they served great snacks and a delicious chocolate cake. The evening was enjoyed with a communal braai and lots of laughter.

Sunday Indaba we celebrated Hilton & Arlene's 15th outspan. Then those who had to leave packed up and at least half stayed another night as it was school holidays and they made the most if it.

Another wonderful L15 weekend!
