The outspan this weekend was at our favourite and beautiful Miller's Point Resort, just outside of Simonstown.

FRIDAY

it was a beautiful calm sunny day with some members arriving early to set up camp.

Most members selected their preferred plots to get the best protection from the well-known strong South Easter wind that is known for this area.

We were blessed with a lovely cool/ calm evening with all gathering around the geselsvuur.

SATURDAY

Some members enjoyed the late lay-in, while others had their morning swim and leisure walk, enjoying the fantastic views.

The boys were up bright and early the morning, riding their bicycles around the campsites.

They then went fishing with Tyler & Wessley, with Carter catching his first baby shark!
Well done Carter!

The Jaffle evening went off well with a selection of sweet and savoury fillings. Eating a jaffle was a first for some members. Lots of creative fillings were enjoyed by all!

Ursula's son entertained the kids by supplying them with glowsticks which were enjoyed by all.

The wind picked up suddenly and blew quite strong during the night with some members left with damage to tent covers, poles and gazebos.

SUNDAY

We woke up to another beautiful windy day.
Most packed up before Indaba with a few staying later to make the best of the lovely views these campsites offer.

Thankfully we had a Baboon free weekend, with all enjoying the weekend, despite the wind.

Until the next outspan!
