NEWSLETTER APRIL - STILLE WATERS

When we were last at Stille Waters in 2024 we camped on site 6 which is the largest site and comes complete with swimming pool and large Lapa. It is also more expensive to book as it can accommodate more people. A look around the other
sites revealed that site 2 would be suitable for a smaller crowd of people. Site 2 was booked in November for which a minimum of 8 persons would be required to share the weekend rate.

Alex and Colleen and Johan and Rosemary elected to arrive prior to the outspan booking for the 25th and 26th as it was anticipated that we could stay a few days longer after the weekend. However, the owners booked the site out for the mid week period from the 27 so we had to vacate by 10am. on Sunday. (A little harsh me thinks).

Angela, Wayne and I arrived on Friday afternoon and were pleased to find that a decent patch of shade and grass was available to set up on. We all congregated under the Brown's awning which was cool and enjoyed the midafternoon tranquility. We all had meat to braai so the early evening saw us having a communal braai along with wine and bubbles. The weather was absolutely perfect, no wind to speak of and not too cold. It was good to catch up on each other's news.

Saturday dawned and again the weather was perfect. In fact, the whole weekend was perfect and the strong winds which are prevalent in the area never arrived. A hearty breakfast of Bacon Egg and Toast helped us on our way We spent the day chilling, playing dominoes and later in the afternoon prepping for our planned Chilli Con Carne supper. We all partook except Wayne who, not being a fan of spicy food, cooked burger patties.

To end the evening a brief Indaba was held and note was made about the AGM to be held at Ou Kip. It appears that we will have a good attendance which is most satisfying.

Birthdays for May, Marieta Pieters. Happy Birthday Marieta.

We hope to have the spoon back in circulation for the year ahead.

Future Outspans
