***Laager 9**, Jeffreys Bay Outing, a new committee was elected and a fantastic "Toilet Seat" Poem was constructed*

I won the throne, a seat of pride,
For causing chaos far and wide.
A toilet seat, my shining prize,
A symbol of my clever lies.
I stirred the pot, I made some noise,
Disrupted peace, with glee and joy.
Now here I stand, with trophy bold,
A tale of trouble, yet untold.
But wait! The crown of chaos I don't claim to keep,
For in this game, the trouble's deep.
I pass the seat, with grin so sly,
To the next bold soul who'll make things fly.
And so it goes, this merry chase,
The toilet seat will find its place.
From one to next, the mischief grows,
As trouble blooms and chaos flows.
A winner's joy, a joker's song,
The seat of trouble doesn't last long.
I hand it off, to stir anew,
The game of trouble, ever true.

***Laager 18**, Did a fabulous Breakaway Trip to the Baviaans. What an amazing experience. The newsletter on the website is a must for reading.*

Community giveback, saw Laager 18 get stuck Into the Gonubie Beach Clean-up.
All determined to make a difference.
"What a load of Rubbish" Literally…….
How can our beautiful beach hold such a mess?
I cannot begin to imagine what it does to the Ocean life.
Morning well spent with a bakkie full of rubbish.
A small dent made, left us feeling chuffed.

Glen Muir saw the election of the new Committee and the start of a well-supported clothing Thrift Shop. In which the proceeds will be donated to A charity of our choice.
