Laager 7 held its Annual General Meeting at Imhoff Caravan Park in Kommetjie on Saturday 10th May 2025.

Most families arrived on Friday, except for the Van Eeden's and Vicars Jnr who joined the AGM on Saturday. Traffic heading towards Imhoff was a bit hectic, causing some delays however everyone arrived in good spirits. The weekend started with an unexpected bit of drama when Wayne drove over an electric connection and got stuck in soft sand. It took a while to sort out, but thanks to the help of the team it was resolved, and we could all eventually set up and settle in for the evening.

Imhoff's proximity to the beach meant it was a chilly evening, but spirits were high. We found a cozy corner, got some fires going, and settled in for the night. Keith provided excellent coals for everyone to braai while we gathered around the fires, catching up, laughing, and enjoying the company.

Saturday morning was a slow and relaxed start—everyone had the same idea to sleep in a bit. Once we were all up and settled, it was time for the AGM. The meeting started at 2pm in the hall which turned out to be a great decision considering the uncertain weather. The AGM ran smoothly with no issues. Although Laager 7 is still young—just two years old—and relatively small, the group has members with much experience from belonging to previous laagers. While this limits the number of member families, it strengthens the group with seasoned knowledge and commitment.

The newly appointed committee consists of:

- **Chairman**: Russell Cable
- **Vice Chairman**: Wayne Hendricks
- **Secretary**: Bronwyn Cable
- **Treasurer**: Genevieve Hendricks
- **Additional supporting members**: Adrian de Kock, Ursula Van Eeden, Nicolette Vicars

After the AGM, the rest of Saturday was spent enjoying a bring-and-share feast. Everyone contributed, and the spread was fantastic. Fires were lit again for warmth and for preparing hot potjies. Despite rain and some wind, umbrellas kept us covered and the fires kept burning. The atmosphere was warm, the music played, and the evening carried on with great food and even better company. After the previous night's wind and rain interrupted our sleep, most of us were more than ready for a good night's rest.

Sunday morning greeted us with sunshine breaking through. At 10am, the Indaba was held with our newly elected Chairman leading the Laager. It wrapped up a successful weekend of camaraderie, fun, and a well-supported AGM.

Everyone travelled home safely. Until we meet again at the next outspan in Tulbagh—stay warm and safe!
