LAAGER 3

20 – 22 February 2026

Setting the Scene

The Yzerfontein Caravan Park, situated right on the West Coast shoreline, offered a lush and tranquil environment for the weekend. Each stand is surrounded by privacy hedges and equipped with electricity and a built-in fireplace—perfect for a braai or simply enjoying the ambience of a warm fire.

Arrivals

- Wednesday: The Böhmé family arrived first, proudly setting up with their new Armadillo caravan.
- Thursday: The Van der Sluis family joined the camp.
- Friday: The rest of the members arrived in misty, cool weather, settling in as the weekend officially began.

That evening, everyone gathered around their fires for a relaxed braai and a long-overdue catch-up.

Saturday Activities

Saturday brought beautiful sunny weather.

- A group of campers enjoyed a refreshing walk along the beach.
- Later in the afternoon members played a lively game of metal ball (boules), adding some friendly competition to the day.
- The evening ended with another braai, this time around a warm, glowing campfire under clear skies.

Sunday Wrap-Up

Sunday was slightly cloudy, but spirits remained high.

- The Laager 3 meeting took place at 10:00.
- Packing up began shortly afterwards, accompanied by the distant rumble of thunder signalling the end of a memorable weekend.
