A Memorable Coastal Camping Experience

Onrus Caravan Park has once again proven to be one of the best municipal campsites we have discovered. Nestled about five minutes from Hermanus, this park offers a distinctive coastal escape along the scenic Overberg Coastline. The site is beautifully sheltered from the brisk sea breezes by dense milkwood trees, creating a peaceful and inviting atmosphere for all campers.

The grounds are meticulously maintained, featuring spotlessly clean ablution facilities and generously sized camping sites equipped with electricity and ample shade. Campers thoroughly enjoyed the convenience of amenities such as the tidal pool, picturesque coastal walking paths, and easy access to local restaurants and beaches. These features, combined with the tranquil setting, make Onrus Caravan Park ideal for those seeking relaxation in nature's embrace.

The majority of campers arrived on Monday, 9 March, with their stay concluding on 16 March 2026. Two campers joined later, arriving on the 13th and departing on the 15th. Throughout the week, the weather was near perfect, adding to the overall enjoyment. The days were filled with laughter, whether gathered around the campfire or engaged in lively games.

While Onrus faced an electricity outage from Friday the 13th until midday Sunday the 16th, the inconvenience was minimal as most campers came prepared for off-grid living. However, the cold showers added a bit of a challenge and became a talking point around the camp. Despite this, spirits remained high, and everyone embraced the adventure.

In summary, Onrus Caravan Park provided a tranquil and thoroughly enjoyable camping experience amid breathtaking natural surroundings. We look forward to many more memorable visits in the future and encourage anyone seeking a relaxing getaway to consider this remarkable destination.
