50th Birthday Cake - Bushwillow

Mike & Barbara Craig - 100 Rallies

CONGRATULATIONS TO OUR FLY SHEET SPONSOR

CITY DEALERSHIP SCOOPS TOP ACCOLADE

Midlands Caravans & Campworld walked away with two prestigious accolades at the recent dealer conference of Jurgens-CI Caravans & Campworld, a division of Imperial, in Parys.
Not only was the Pietermaritzburg outlet named the Dealer of the Year, but it also landed the Gold Quota Award at the function attended by 40 dealers' country wide. The awards were based on various criteria, including sales performance and customer satisfaction.

Bryce & Don Lund – Don was involved at CI with Ted Allbon at formation of club

EULOGY

John McLeod 16/03/1936 - 08/11/2014 Husband, Father, Grandfather, Father-in-Law and Friend Extraordinaire!
Gone but not forgotten. Your family meant everything to you and we cannot express how much you meant to us.
You are going to be a very hard act to follow but what an honour to maintain the legacy that you have left us
Rest in peace Ballie!

From the S A Camping Club - prepared by Bob Stanley

Before their recent moves John and Lynn and Bob and Jenny had been neighbours for nearly 40 years. Bob and Jenny had been camping for several years when John approached Bob and asked him how he managed to holiday so often. It was Bob who introduced John and Lynnette and the family to the Camping Club. Rae and Lorraine Filmer also neighbours joined the camping club later.

John and Lynn have always loved being with their friends in the country or the bush and have attended over 250 rallies over the years.

He loved the company of his camping club friends and would often be seen sitting around the campfire reminiscing with his beanie on his head. As a pensioner he would always leave a day earlier to extend the weekend. Nowadays there are so many pensioners that the weekend invariably starts on Thursday.

As he had a very steep driveway, he would often ask his friends with 4 wheel drive vehicles to pull his caravan up the driveway. Nobody ever refused to help as John was such a generous person himself.

Whilst camping at Sedgefield a group of men went looking for firewood in the nearby forests. We took a rope and tied a hammer to it and when we found a suitable dead branch we threw the hammer over the branch which rapped around the branch and then pulled on the rope to bring the branch down. Unfortunately the hammer and rope unwound and the missile hit John on the foot to great roars of laughter from the other men as John was hopping on one leg saying a few choice words. It was only later that we realised how dangerous it could have been.

John was always busy in his garage fixing things or making something for someone. Stuart and Iona will constantly be reminded of John's generosity and kindness as they step into their caravan as he made the step out of metal and gave it to them as a present for their new caravan.

John also made a bench for Bob's radial arm saw as well as security gates for Bob's son Kevin's business premises and he refused to accept payment.

He built a trailer for the removal of refuse which everyone in the neighbourhood used.

He also offered his services to Berea West Primary School and was always happy to do anything that he was able to do.

He also had a bit of Scots blood in him when it came to buying tools and equipment necessary for his workshop. Bob being in the tool business at that time would be his obvious source of supply. However John would always find a cheaper product which would not last or do the job it was bought for.

Johns accident which happened as he was working for the KZN Provincial Administration set him back, but his indomitable spirit shone through and he was determined to continue staying in his home and working in his garage.

However the time came where they eventually had to make a move and settled in a complex in Pinetown. Of course the caravan was sold and Johns camping days as he knew them were over.

It was fitting that John was present at the 50th Anniversary of the Camping Club that was so much part of his life. He had a wonderful Friday evening chatting with old friends and on Saturday morning attended the Karkloof Farmers Market. On his return he felt a little tired and lay down for the last time. The owner/farmer at the moment of silence prior to the tree planting ceremony, agreed to play Amazing Grace on his bagpipes and Alex tells me he heard the sound as John was leaving.

We as a club express our sincere condolences to Lynn , Janice, Robin and Alistair and the grandchildren and the extended family and friends but we rejoice in the fact that his parting was in a place where he was the happiest , in the countryside with his friends

Barbara Craig: A wonderful tribute to a wonderful man. xxx

Meryl Davies Bartho: John will be sorely missed - a wonderful tribute, thank you Irvine.

John McLeod from Rae and Lorraine Filmer

When Lorraine and myself purchased No 4 Westleigh Ave Westville it must have been one of the best moves we ever made in our life with Bob and Jenny Stanley at No 6, Robbie and Jackie Lorimer at No 10 and of course Lyn and John McLeod at No 5.

Not joining the Camping Club in this street was not an option especially where John was concerned. Through the club and being neighbours John and myself became close friends over the years and often joked and laughed about different rallies, parties and

what we got up to over the years. If ever you got talking to John about rallies the old Weenen rallies would always come into the conversation stories about the shower tents, water otters, tubing down the river and many more stories.

And I guess if anyone was to have asked John out of all the rallies they attended over the years which was best I know he would say the old Weenen site.

In those mid-eighties with Lyn as club secretary John was always busy making bits and pieces for the club, toilets, showers, spit braais and all bits and pieces imaginable including props for the goofy games. John and Lyn also stored all the clubs equipment for many years at their home, to which John kept his beady eye on.
Apart from the Camping Club John also enjoyed his workshop at home where he was always busy making gates burglar guards or welding something or other together, mostly helping others out. As a neighbour you always knew if John was
in or out not by phoning or knocking the door
but by the sound of the angle grinder, if you couldn't hear it you knew John was out. The only time John would scare me is
when he sometimes tried to be an electrician how he never blew himself or his house up was an absolute miracle. Often I would get the quick phone call "I've got a problem", straight away I knew it would be electrical.

John loved music and loved to dance especially in the old days where he was known for his interpretation of Zulu dancing smacking his feet down hard and normally ending up in a big heap on the floor normally to a round of applause and laughter.

Apart from the camping, working and fun side of life John was very much a family man and every minute spent with his family especially the grand children, would always put a smile on Johns face. Nothing would please John more than to have any excuse to get all the family together for a social gathering of one sort or another and spend quality time together, which Lorraine and I were privileged to be invited.
John we were looking forward to seeing you again on our return trip in Feb, this will not be the same without you now but you will be loved and remembered forever. Rest in Peace, you deserve it after a life enjoyed to the full.

Dear Graeme, I would like to thank you and the club members for all the support and messages that have been given to myself and family. Yes, we had good times with the Club over the years and these are memories that cannot be taken away.
Graeme, I wish that you recovery to good health and have many more nights under canvas. Lots of love Mamee.

Dear Lynn, we never saw you on the Saturday that John passed, but we were so shocked to hear the news and our thoughts and prayers are with you and the family. We were so happy to have had some time with John on the Friday of camp and it was lovely to catch up on the news and enjoy remembering the "old" times. He was always such a special loving man and a true gentleman. We are privileged to have known him and we know he will be greatly missed by everyone. Stay strong and stay well, love
Joan and Dale Thomas

Chairman's Chat

We as a club mourn the loss of a member John McLeod who passed away at Bushwillow rally on the morning of 08 November 2014. The above Eulogies tell the story. The clubs condolences go out to the family and in remembrance of John, the committee has decided to donate a recycled plastic bench to Bushwillow with an inscription thereon. The bench to be placed in a spot where one can sit quietly and reflect.

This your club and the most frustration part of being part of the committee is when members do not answer to communication sent to them. It makes the committee's work very difficult when notifications are not answered.
Please, all members in future, reply to e mails or correspondence sent. It is common courtesy and not a major undertaking. The majority of correspondence is returned "Read Only" and no answer or reply given. This results in frustration by the committee and thus reminders are constantly, having to be sent and this, results in frustration from members – a simple reply back with for example:" We are booking OR We are not booking" – Please it is in your hands.

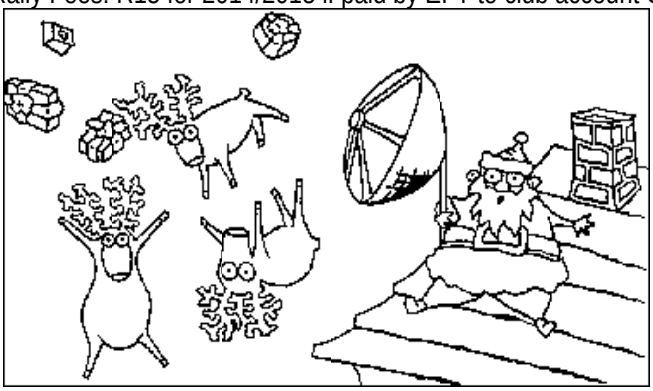

Membership Fees: We as KZN are not so badly off when it comes to fees – these are Gauteng fees for SUBS :
Rates are: Yearly Subscription – R200 (R150 for pensioners) Rally Fees: R275 per night unless camp site is weekend rate then it is R550 for weekend. (this is no matter the cost of the park – some are sponsored from lower costing parks for the expensive parks.)

Apologies in arrear that there was no Christmas Rally this year as the committee undertook at the beginning of the year to make all members aware of the 50th anniversary and thus subsidised this event heavily with assistance from voluntary contributions and raffles.

Your committee tries its best at all times, but it saddens me when there is what I call "Canvas Chatter" with members criticising a park or activities and not passing their comments on to the committee. If members have any problem aspect with the park,

activities or committee, please communicate with them and let the "Canvas Chatter" end.
Members are also not meeting deadline dates and this has caused major problems especially when a booking is not confirmed.

Payment is also another problem, as payments also are not been made by deadline. If the payment deadline is 28th we mean the money must be in the club account by 28th. The deposit, or EFT thus must be made by latest 26th **if not** Nedbank. Please assist our Treasurer by making payment at the right time. Reference is also a major problem. It is simple on payment reference is Your Name number of people and rally name. Please also mention that when they inform Heather of payment, you are requested also to give Heather a breakdown of what they are paying.
Please inform Heather at winterbach@telkomsa.net of payment and not the Chairman Graeme at dibben@telkomsa.net. A committee decision has been made that Booking and Payment date will be the same as there are just too many dates.
Members who have not yet paid the annual Membership fee. Remember you now face a R15 penalty per month over and above the R120 membership fee. Membership Fees were due by 30 September 2014.
This is a well- known and documented fact implemented a long time ago and it saddens me members refuse to pay the penalty, especially when they are the culprits. (Our Membership Fee is the lowest in the SACC Sections – (read Gauteng above)
YOUR 2014/2015 CAMPING CLUB SUBS NOW DUE! R120 for the YEAR plus at this time R45 penalty
Please note that as per the 'South African Camping Club Constitution and Code of Conduct', Clause 35 states:- "should the subscription payable by any member be outstanding three months after the beginning of the new financial year, the Section Committee shall be entitled to remove the name of such defaulting member from the role of members." This means that subs are due by the end of September 2014 and you are therefore requested to make timeous payment. If you no longer wish to be a member of the Club, please advise the Treasurer, in writing, in order that your name can be removed from the register.
There will be a R15 per month penalty for late payment until December 2014 at which time your name WILL BE REMOVED from our membership.
Rally Fees: R15 for 2014/2015 if paid by EFT to club account OR R20 cash at the park (cash deposit bank fee)

Please pay your subs directly into the "South African Camping Club" Account:
Bank : Nedbank Account : South African Camping Club (Current A/C) Account No: 130 5386 523
Branch Code : 130 526 Reference : Subs / Surname / Initial
Please Email a copy of your deposit slip to winterbach@telkomsa.net or fax a copy to 086 604 1056. In your email please type your name and Subscription 2014/2015

Cynthia and I wish all of you everything of the best at this festive time. May you all have a wonderful time and those who are able to enjoy a break, enjoy it thoroughly. For those of you rallying over New Year, enjoy the new venue in the Freestate and send us a rally report.
We will not be at the rally as we will be somewhere in Vietnam with our younger daughter Melanie, her husband Ross and his dad, mom and sister. We will catch up at the Anchors Rally – Hibberdene (book early only 12 sites).
I personally wish to thank all those who have shown concern, passed on good wishes and prayers during my last 6 months of cancer chemotherapy treatment. The 12 treatments were completed on 02 December 2014.

Chumli Report: Peatties Lake – 17 to 19 October 2014 – Bird Spotting

We have not been to the resort since 2005. Our first rally was with the Caravan Club of South Africa in 18 / 19 June1966 and this was our 8th rally there.

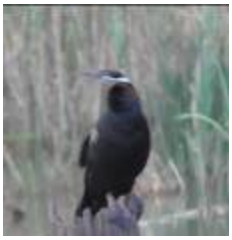

The owner Malcolm Mc Queen was on hand to meet all members and he and his staff went out of their way to make our stay enjoyable

Pity the owners of the Lakehouse Restaurant did not do the same with no breakfast on both mornings with the assurance it would be open. Loud music till 3am in the morning. 1 hour and 45 minutes to wait for a toasted sandwich ……

BIRD

IDENTIFICATION

TIME PLEASE

The rally called as most walked around the dam and bird spotted otherwise it was visits to the Karkloof Farmers Market and chilling.

New members, Delicia, Grant, Shawn and Thelma arrived on Thursday and just had their awning up when the storm broke and 37 mm later it was over. The rest arrived on a cold breezy Friday.

Saturday was also coolish, however the communal braai in the evening was great as the wind had dropped. We thank Malcolm's staff for providing new stainless steel braai drums, for cleaning the grates, starting the fires with wood and providing a table

Sunday was a perfect clear late spring day with more walks around the dam and bird spotting. Ed

Peatties Lake Caravan Park

Here comes the report!!! Please feel free to add or edit in any way.
Lakeside Estate rally. Most members arrived on Friday. Cold and windy weather and so an early night for most. Electric blankets and hot water bottles and all the warm snuggles were needed. Saturday most people went for lovely walks around the dam and grounds. There was rugby on the big screen in the afternoon so some people had lunch in the pub before watching. Communal braai was enjoyed by all even though it was rather chilly. Welcome to our new members. Hope you have as much fun with the club as we do! The Halloween decorations were brilliant thanks to Shawn & Thelma. Sunday dawned bright and sunny (as usual for pack up day) and most people took advantage of the weather by the usual exercise around the park and a fairly slow, late pack up.
See you soon. The Dovey's

Chumli Report: Bushwillow– 07 to 09 November 2014 – 50th Anniversary Refer to Annexure Fly Sheet

KwaZulu Natal

Gauteng

Eastern Cape

Western Cape

Chumli Report: Eagle view – 05 to 07 December 2014 - Misty View

Your editor Dippy Dibbzzzz has gone on strike and has refused to submit a rally report for Eagle View.
It has now been left to the Chairman to write the report. The main reason for choosing him is, he arrived late on Friday (12h30) when the intention was to arrive by 09h00. The second reason is that he arrived on his own, as Cynthia had gone to Johannesburg due to Geography matric marking and the 3rd reason was he did not bring all the necessary caravan tents as it was too much trouble to erect.
Well I arrived at Eagle View having driven through doom and gloom and a very misty rainy trip. On arrival, the Smarts, Young's, Byres, Pelizarri, Craig's, Bartho's and Battiss / Fraser were already there. The cheek of it was that they had taken up residence in the better sites. The Du Toit's, Gilling's, Harris's / Von Metzinger's, Venter's and Winterbach's then followed and set up in the doom and gloom.
Late in the evening and the usual occurrence the Reed's arrived – they refused the rally report. The rest of the day was spend settling in and experiencing load shedding from
18h00 to 20h00. The highlight of the day was the park owner, Ron, visiting to apologies for the lack of power.
Saturday greeted us with more doom and gloom but, Paul, Dick, Vernon, Dirk and Graeme went on the 1.4km viewpoint walk. We were later joined by Mike & Barbara

Doom and Gloom

An extremely successful rally by the KwaZulu-Natal section of the Club. The venue was Eagle View near Harburg, in the KwaZulu-Natal Midlands. Thanks for the company and friendship!

and Greg. Many 40 winks in the afternoon with Graeme and Mike going down to the top of the waterfall and then later, Greg, Mike and Graeme walking to bridge near Castaway cottage. Due to call of nature Graeme turned back and Mike and Greg carried on and undertook a circular walk on the other side of the valley where they viewed the campsite and the top of the large high waterfall.
The evening was spent in the hall where everyone enjoyed a braai and stir fry (thank you Richard)
The load shedding was not really missed but there was a huge cheer when it did come on.
Sunday was a day of relaxation and couple of energetic walked down to the top of the waterfall. Another great week end with great company. Thank you to all for looking after me
Apologies for leaving early on Monday but realised I had a breakfast date with my and Cynthia's cousin Happy Xmas & New Year and enjoy Shumba Graeme

'Bachelor' breakfast

Supper fire

Vernon, Paul & Dick braaing

In the hall - load shedding time

Grant Harris - only stir fry cooker

Who's lunch is this ? No prize

At the Rally

Bartho, Ray & Meryl
Byres, Wray & Lyn
Craig, Mike & Barbara
Dibben, Graeme
Du Toit, Bernie, Ann & David
Fraser, Shawn & Battiss, Thelma
Gillings, Heather & Ken
Harris, Grant & Von Metzinger, Delicia, Monique & Nicole
Pelizzari, Paul & Yvonne
Reed, Greg & Vivienne
Smart, Vernon & Marianna
Venter, Dirk & Lynn
Winterbach, Richard & Heather
Young, Dick & Jill

Would you want the club to have a rally here – Loteni

Problem ids road access as there are 3 different ways of getting there – all far and a lot of gravel road
.
During the stay at Eagle View we had power shedding from 18h00 to 20h00 on each evening

Please give the club feedback – no feedback = no one interested !!!!!!!

Eskom

Eskom would like to remind its customers that it is no longer Politically correct to refer to power failures as "black outs".

Reference must now be made to "previously lit" areas.

CODE FOR CAMPERS

No structure of any kind other than that of bonafide camping equipment is acceptable. Items of furniture and equipment used, shall generally be of a type designed for camping and outdoor use. Members must maintain their equipment in a clean, serviceable condition, and the equipment should be of a pleasing appearance in accordance with the club's standard of camping.
Should trenching be required, due to inclement weather, turfs must be carefully removed and replaced when striking camp.
Damage to Trees & shrubs. The cutting of initials, throwing of knives at the bark or breaking of branches is not allowed.
Vehicles must be parked, as indicated, in organised sites. Indiscriminate and careless driving is forbidden.
Children under 18 may camp only in the charge of a parent or responsible adult.
Rubbish: Each camper must keep his site tidy.
Dress: The mode of dress must not be offensive to fellow campers or local residents.
Dogs & other Pets: In the interests of fellow campers, no pets or animals of any kind are permitted.
Musical Instruments & Noise: Radios, gramophones and other instruments must cause no nuisance to other campers. Excessive volume should be avoided at all times. There should be no loud talking or noise in camps between 11pm and 7am.
Trespassing on land adjacent to sites is forbidden and fires may not be lit without authority.
Infectious diseases: No person suffering from any may camp on authorised sites.

INTERNATIONAL CAMPERS CODE:

Camp on private land in preference to wasteland and do not forget to ask permission. Obey all regulations of site owners or local authority.

Fires: Light no wood fires without permission, Break no hedges or trees for firewood. Avoid the throwing of lighted matches or cigarette ends near dry grass or bushes. Take special care near forests and plantations. Be very careful in the use of stoves.

Refuse: Do not leave litter anywhere. Place rubbish in receptacles or otherwise dispose of it adequately.

SANITATION: The utmost care must be taken in the matter. ANY MEMBER FOUND NEGLIGENT IN RESPECT OF SANITATION WILL BE EXPELLED.

5. COUNTRY COURTESY: Use courtesy in all dealings with local people. Leave all gates as you find them. Do not damage fauna, flora or crops. Respect the privacy of others – both in and out of camps. Remember that your conduct will influence the reception of others who follow the integrity of the camping movement.
