GOLDEN OLDIES TVL CARAVAN CLUB

The Golden Oldies Caravan Club is for **retired** people who own a **caravan, camper or a motor home** and who like to camp mid-week from Sunday afternoon (after the weekend rush), to Friday morning (before the next rush).

The Club organizes 9 rallies per year, which are usually within 100 km of Centurion (Pretoria). As we camp mid-week, out of season, the Club is often able to negotiate lower prices for its members at the different caravan parks. At our rallies you will meet caravanners in your own age group who have similar interests and who all like to get away from the rat race for a while. Rallies are held in a relaxed atmosphere where members get together for braais, teas and general socializing. After contacting our Secretary (info below), prospective new members are invited to join us for a rally or two so that they can decide for themselves whether they would like to join the Club.
