Dagsê Hoëvelders

Nie minder as 7 waens het Donderdag opgedaag by Wilgerivier. Die dae was heerlik warm maar as die son sak dan moet jy 'n "beany" opsit vir die koue en dan kom die konkas ook handig te pas. Party mense het die TV opvangs uitgesorteer en ander het in die sonnetjie gebak.

Vroeg Vrydagoggend het die lede begin opdaag en teen laatmiddag was ons 17 lede. Doepie en Magda het eers Saterdag opgedaag wat ons by 'n totaal van 18 gebring het. Vrydagmiddag het van die dames kom hulp aanbied om groente skoon te maak vir die aand se sop. Paul het ook handjie bygesit en Giel het gekyk dat alles goed gaan. Ons het die aand afgeskop met 'n glasie sjerrie en die innerlike versterk met 'n lekker bakkie sop en 'n sny vars brood.
Dit was darem te koud om Saterdagoggend te gaan stap en almal het bietjie ingelê tot die sonnetjie die ryp op die gras gesmelt het.

Teen 11h00 was dit tyd vir ons AJV.
Our guests were John Tompson our National Councillor and his lovely wife Sheila.The Chairmans report was done by Paul himself and he had indicated the highlights for the year.
Carol opened our meeting with Scripture reading and prayer. Penny read the Notice of the AGM and Prior presented the Finances. Paul did the rest of the Agenda.
